Alliance Underwriting Sponsors

During 2009, four Education Alliance underwriting sponsors were identified. Their generous support began laying the foundation for sustaining the Education Alliance.

Cooper Foundation

Sponsors

The production of the annual Education Alliance Summit requires the solicitation of funding from local sponsors. Six levels of sponsorship were available for the 2009 Summit, Presenting, Gold, Silver, Bronze, Summit, and In-Kind. The Education Alliance Planning Team and Summit Task Group appreciate the very wide community support for the annual summits.
